LET THE EVENING BE GIN!

the g&t

the fashionable crowd-pleaser of the moment. a drink steeped in indian history.

the story: british east india company. early 19th century. quinine was used daily to tackle malaria, one of india's troubles. however, it was bitter to taste & before long it was being mixed with sugar, lime & water for easier drinking, & a slug of gin just to up the enjoyment. thus the gin & tonic was born and lives on to this day.

step 1:

PICK A GIN

hendricks

hand crafted traditional botanicals with a unique infusion of cucumber and rose petals

bombay sapphire

a fresh and lively gin, slightly floral with coriander & a warm peppery finish

adnams copper house

elegant and approachable. classically charged with juniper & rich with floral and citrus notes

slingsby rhubarb gin

rhubarb and raspberry followed by a bitter pink grapefruit citrus base leave an unforgettable flavour on the palate

curio rock sapphire

four times distilled & hand foraged to capture the fresh sea spray & wild aromas of the cornish coast

boe passion gin

fresh passion fruit and bright orange notes mixed with some classic herbaceous undertones

bathtub sloe gin

a delicate sweetness with citrus notes, lingering liquorice, cracked black pepper and some spice

tanqueray rangpur

produced using hefty amounts of the finest sloes along with a merry band of botanicals resulting in tonnes of character

greenalls wild berry

english hedgerow blackberries & raspberries infused with greenalls original london dry gin

king of soho

a delicate combination of sweetness, citrus and earthiness and a hint of grapefruit bitterness

silent pool

fresh floral & clarifying citrus notes grounded by earthy & spicy cassia bark & cubeb with local honey for a smooth finish

bulldog

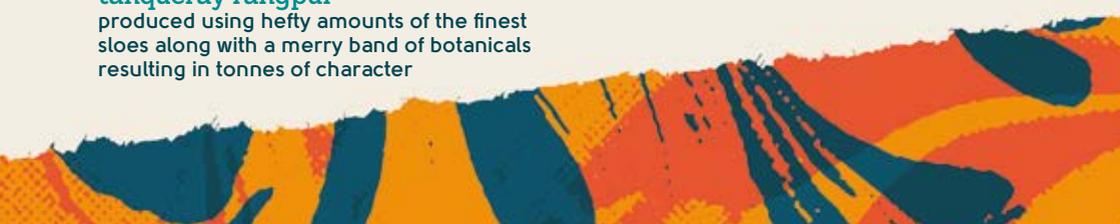

slightly spicy on the palate with cinnamon, cardamom and citrus to leave you with a warm finish that lingers

pinkster

deliciously dry with juniper and coriander underlying a jammy raspberry note for an exceptionally smooth finish

opihr

bursts of citrus balance with rich, earthy aromas and soft spice. opihr epitomises the exotic intensity of the orient, awakening the senses to a new style of gin
